

## **Prayer for Matriculation**

*Sheila Carney, RSM*

Our good God, we ask You to watch over the class of \_\_\_\_\_. May they embrace this new experience of education with all the opportunities and challenges it presents. May they be inspired by our values and motivated in their response. As we stand with them today at the commencement of their university career, we ask that You hold them in Your generous care until, strengthened and empowered by their membership in this community, they cross another threshold into a world that awaits their skill and their service. We ask this in confidence, for we know that You hear and attend to our prayers.

Amen.

*Sheila Carney, RSM is Special Assistant to the President for Mercy Heritage and Service at Carlow University, Pittsburgh, PA.*
